

Baby Shower Scavenger Hunt

Print off one copy for each team (teams of 2-3 people work best). Cut out the clues below. Hold onto the first clue but hide the others around the house according to the clue location. For example "To fetch a pail of WATER" if the first answer so you'll want to hide the second clue somewhere around water. For your reference, the answers are under each clue.

You'll give each team a copy of the first clue only. They'll have to fill in the missing word (water) which will give them a clue to where the next clue will be hidden.
