

Rainbow Treasure Hunt

How To Play:

The leprechaun has hidden 6 rainbow pieces around the house:
red, orange, yellow, green, blue and purple.

As you find each rainbow piece, glue it (letter side up) to the clue page.
Example: the red rainbow piece would be glued over the “red” rectangle, the
orange rainbow piece would be glued over the “orange” rectangle, and so on.

After you’ve found all 6 rainbow pieces and glued them to your paper, you’ll be
able to read the final clue to finding your treasure.

Good luck!

red

orange

yellow

green

blue

purple
