

Good Morning Sleepy Heads!

While you were sleeping, I was busy setting up Easter challenges for you to complete. Once you successfully complete all of the challenges, you'll find out where I hid a special Easter treasure!

Let's get started by dying some Easter eggs!

Sincerely,

Easter Bunny

Easter Joke Scramble

I was bringing you some Easter jokes but I tripped and cracked all the eggs! Can you please help me me sort these out by matching the joke pieces back together? I hope these *crack you up!*

Sincerely,

Easter Bunny

Scrambled Message

It's time to practice your hip hop! I've hidden a secret message in these balloons (there is 1 letter in each balloon). You have to hip, hop and pop each of these balloons then sort out the letters to reveal the location of your next challenge.

Sincerely,

Easter Bunny

Digging For Carrots

It's time to get dirty! Dig through this pot to find all the carrots. You'll then have to open each carrot, take out the puzzle pieces and assemble the puzzle in order to get the location of your next challenge.

Sincerely,

Easter Bunny

Easter Friends

Craft time! Use these supplies to create some adorable Easter friends!

Sincerely,

Easter Bunny
